

Warning: oligo j5_00001_(stagR)_backbone_forward (57 bp) is longer than the 36 bp Primer3 Tm calculation limit. Its full length Tm may be closer to 75.543

Warning: oligo j5_00002_(backbone)_reverse (61 bp) is longer than the 36 bp Primer3 Tm calculation limit. Its full length Tm may be closer to 84.795

Warning: oligo j5_00002_(backbone)_reverse contains more than the maximum (4 bp) of poly-Gs. This may complicate DNA oligo synthesis.

Warning: oligo j5_00003_(MBP-4AA-ZFP-GS)_forward (47 bp) is longer than the 36 bp Primer3 Tm calculation limit. Its full length Tm may be closer to 70.120

Warning: oligo j5_00004_(MBP-4AA-ZFP-GS)_stagL_reverse (61 bp) is longer than the 36 bp Primer3 Tm calculation limit. Its full length Tm may be closer to 74.653
